

Virtual RMS AFM & SPM Meeting

Online via Zoom | 3 - 4 November 2020

Scientific Organisers: Jamie Hobbs & Alice Pyne

RMS AFM & SPM 2020 represents an exciting opportunity to explore the latest developments in atomic force microscopies and scanning probe microscopies.

The AFM & SPM Meeting is held annually and provides an excellent forum for the community to meet and discuss the latest advances in the field. Supported by the manufacturers and including opportunities for attendees to present, it is a great event for atomic force microscopy users, scanning probe microscopy users, for PhD students and well-seasoned microscopists alike!

We have an exciting list of Invited Speakers lined up for this event:

- KEYNOTE SPEAKER: Professor Takeshi Fukuma, Kanazawa University
- Dr Nina Balke, Oak Ridge National Laboratory
- Dr Simon Connell, University of Leeds
- Professor Alex Dazzi, Universite Paris-Sud
- Dr Lorena Redondo-Morata, Inserm
- Dr Kristina Rusimova, University of Bath
- Dr Steven Schofield, University College London
- Professor Gijs Wuite, Vrije Universiteit Amsterdam

Registration is now open online and we are accepting abstracts for oral and poster presentations. For more information please visit: www.rms.org.uk/afm-spm

Abstract Submission Deadline: Thursday 19 October 2020
